**Blessings of peace and joy,
Rabbi Scott**

Bio: Rabbi Scott Matous was ordained by the Rabbinical Seminary International in 2009. He has officiated as both an assistant rabbi (collaborating in Shabbat and High Holiday services) and an itinerate rabbi (officiating Life Cycle events such as weddings, baby namings, upsherins, funerals, bar mitzvahs, etc.)

Rabbi Scott's passion is both to study and teach the beauty, spirit, and relevance of Judaism in both synagogue and interfaith settings. He has recently been invited to be a part of the The Rabbi Joseph H. Gelberman School of Judaic Studies at All Faith's Seminary, and is excited and honored to be assisting his head rabbi, Rabbi Stuart Paris, at the New Synagogue of Long Island.

Besides his rabbinical duties, Scott is a Licensed Clinical Social Worker in Pediatric Psychiatry at Maimonides Medical Center, in Brooklyn, mostly doing crisis work with children, adolescents, and their families.

May He nourish us both in togetherness.

May we both work in togetherness with great energy –
physically, mentally and spiritually, individually and universally,
psychologically, economically, nationally and internationally.
May our study be vigorous, and may our meetings be effective
to strengthen our togetherness in all respects.
And may we not hate each other, destroying our togetherness!

MASTER OF THE UNIVERSE

("Master of the World, Who
Always Ruled, Always Will . . .")

The Lord of the Universe who reigned before
anything was created.

When all was made by his will
He was acknowledged as King.

And when all shall end
He still all alone shall reign.
He was, He is,
and He shall be in glory.

And He is one, and there's no other,
to compare or join Him.
Without beginning, without end and
to Him belongs dominion and
power.

And He is my G-d, my living G-d.
to Him I flee in time of grief,
and He is my miracle and my refuge,
Who answers the day I shall call.

To Him I commit my spirit,
in the time of sleep and awakening,
even if my spirit leaves,
G-d is with me, I shall not fear.
