The East/West path is the direction the sun takes as it makes it's journey. When it sets in the west, this is the Underworld/Soul journey of the sun. As it rises in the east, this is the Upperworld/Spirit journey.

The North/South path represents the cycle of life/death/rebirth. As the World Tree is rooted in the formless chaotic waters, yet manifests the order and creation/unfolding of the cosmos.

They meet in the center where our growth into a soul centered life can lead to our attainment of harmony with the unfolding Universe. In the center we are co-creators.

## Ordination 2012

Old age is like a bank account. You withdraw from what you've put in. So, my advice to you would be to deposit a lot of happiness in the bank account of memories! Thank you for your part in filling my Memory Bank. I am still depositing.  
'Remember the five simple rules to be happy:

1. Free your heart from hatred.
2. Free your mind from worries.
3. Live simply.
4. Give more.
5. Expect less.

### **Lao-tsu's Peace Prayer**

If there is to be peace in the world,  
There must be peace in the nations.

If there is to be peace in the nations,  
There must be peace in the cities.

If there is to be peace in the cities,  
There must be peace between neighbors.

If there is to be peace between neighbors,  
There must be peace in the home.

If there is to be peace in the home,  
There must be peace in the heart.

## INTERFAITH AFFIRMATIONS & PRINCIPLES

*The students and staff of All-Faiths Seminary International agree to abide by these six guiding principles:*

1. We affirm the truth in all faiths and religious paths.

The rainbow's beauty consists of its many hues, and the grandeur of a symphony in its many instrumental harmonies and coloration. Unity does not mean uniformity.

2. We affirm our belief that seeking attunement to Spirit is the highest goal of conscious living.

Spiritual living unfolds our inner human possibilities and helps the individual to freely grow toward realizing his or her highest Self. We support and encourage whatever spiritual practices contribute positively to the unique creative growth of every person.

3. We affirm an inclusive vision of "We."

We experience ourselves as part of the global human family. Old dichotomies of "us" versus "them" do not serve the healing of the world.

4. We affirm the essential goodness of the human being.

Each of us is an expression of Divine Nature as we each understand Divinity. As we individually and collectively move toward greater awareness and understanding of Spirit, we become deeper reflections of that Spirit within us and in the world around us.

5. We affirm that each person, indeed all life, is a part of the healing of the world.

We have faith in the ultimate healing of the planet. Each of us, as we fulfill our own highest good, brings this healing vision nearer to reality.

6. We affirm the value of Interfaith interactions as enriching our awareness of Spirit in the world.

The practice of a faith's approach in religion offers great prospects as a unifying vehicle to aid in the world's healing through spiritual awakening.

An Interfaith, Interspiritual Community

Dear Rev. Dr. Kathleen,

As an Interfaith/Interspiritual seminary, we invite your participation in a joint venture with AWAIC to support new clergy after ordination.

The first year after ordination is for most newly ordained clergy a complex time of transition. Joining a professional organization like AWAIC which provides support, community and networking once the Ordainee has graduated from seminary can be an excellent next step after ordination.

We are proud to offer our services as a professional organization to promote, enhance, and support Interfaith/Interspiritual Clergy and we would like to partner with you to offer your graduates/Ordainees a smooth transition into the professional arena after ordination.

We have created a program that allows for reduced membership fees for students or newly ordained graduates. It also allows for agreements with recognized Interfaith / Interspiritual Seminaries to sponsor their newly graduated and ordained persons for an initial one-year full "fellow" membership of AWAIC at a reduced group rate of USD \$40.00 per person.

Our program works as follows:

- Those newly ordained ministers that join AWAIC under a sponsoring seminary per our recently approved program, join for USD \$40 each. This

amount is to be paid to AWAIC by the participating seminary. (Current individual membership is \$75 year, a significant savings).

- AWAIC will create membership packets which include a membership pin, a welcome letter, a member Clergy card, and a year's membership to support them at this important time. This packet will be available to the seminary for Ordination Ceremonies. Prior to ordination, membership will be creating the new Clergy's personal profile page and access codes to the 'member only' sections of the website which will become active with ordination.
- Payment by the seminary for all Ordainees is due to AWAIC at time of Ordination which will be payment for the first year membership. Thereafter, membership with AWAIC is the sole responsibility of the individual clergy member.

AWAIC also welcomes opportunities to participate in venues that will support the newly emerging clergy into professional status.

We thank you very much for your consideration in participating in this program, which represents your ongoing support for professional development, support, and networking opportunities for Interfaith /Interspiritual Ministers. We welcome this cooperative arrangement with you.

Namaste,

Fran and Carol
